## Services

We believe that mains gas, electric, water and drainage are connected to the property. Interested parties are advised to make their own independent enquiries.

## Trade and Business

This business is easily managed by two full time proprietors, assisted currently by a full-time barmaid and two part time barmen. It is wet led only; catering having ceased to be offered following the Lockdown in March 2020. There is therefore the opportunity to re-introduce catering.

The pub is tied in respect of draught and bottled beers and ciders, but completely free of tie for wines, spirits, and minerals. There is a large spirit trade. The landlord has indicated that under certain circumstances, there may be the opportunity to go completely free of tie.

Trading figures will be supplied to seriously interested parties following inspection.

## Licences

The property has the benefit of a Premises Licence which permits the use of alcohol for consumption on or off the premises between 10 a.m. and 11.30 p.m. each day except on Friday-Sunday when the terminal hour is midnight. Live music and facilities for dancing are also permitted between 8 p.m. and midnight on Friday-Sunday. Seriously interested parties should make their own enquiries directly with the Council's Licensing Department.

The property also has the benefit of a Pavement Licence from the Council for outside tables and chairs.

## Terms

The property is held on a 30-year lease from 18 December, 2003 and therefore has around 9 years remaining. The lease is of a full repairing and insuring nature. The current rent is £37,000 per annum.
