Location

The property is located in Easingwold town centre next to the post office on Market Place where most of the activity in the town is centred. It is a busy and thriving setting with shoppers and visitors to the various retail shops, cafes, restaurants and pubs in the centre. The town has seen more than a 60% increase in dwellings over the last 15 years and has become a popular location for family living and working in the surrounding area. As a result, Easingwold has developed into an important centre with potential to develop additional services and facilities for the affluent local population of circa 10,500 and has become one of the best places to live in Yorkshire, which is located 12 miles from York. Easingwold has a rich history of long established businesses including GH Smith & Sons, Charles Hobsons, Clark's Bakers, Thomas the Baker, Stephenson & Sons and Hunters Estate Agents.

Description

The property comprises a corner building with a sales area and toilet facilities to the ground floor and office/storage space to the first floor. It has most recently been used as a coffee shop but could suit a number of other business occupiers under Class E for retail, office, financial services, research, café and food retail, dentists, vets and estate agency. The opportunity to acquire premises in the town centre is rare and this property provides a great base in which to establish business within the town.
